Room 13 is also a contributor and our young people, artists and educators have been invited to write articles and reviews for Scottish Natural Heritage, Tate and Clore Duffield Foundation and many others.

Speeches, Conferences & Events

Room 13 represents a thriving community of artists, educators, thinkers and other professionals who contribute their skills and expertise to form a unique culture of creativity and social enterprise. As a collective we have gained a reputation as a leading movement in the field of arts education and creativity. Representatives from Room 13 are often invited to contribute to conferences and events hosted by other organisations in the UK and overseas.

In recent years, presentations from Room 13 have featured in the following conferences and events:
